

CAPABILITY STATEMENT

Greystone PG LLC is a Women-Owned Small Business (WOSB) specializing in office and industrial supply distribution, professional consulting, business support services, and software/AI consulting services. Based in Georgia with nearly a decade of experience, we deliver strategic procurement solutions that drive efficiency and cost savings for government agencies and commercial clients across the Southeast.

CORE COMPETENCIES

Office Supplies Distribution — Full-service wholesale distribution of office products, paper, toner, furniture, and equipment. Competitive pricing through established manufacturer and distributor relationships. Reliable delivery schedules with order accuracy tracking.

Industrial Supplies Distribution — Sourcing and distribution of safety equipment, PPE, janitorial products, MRO supplies, and maintenance tools, including plumbing maintenance materials and parts. Bulk purchasing programs and customized procurement solutions for government facilities and commercial operations.

Professional Services — Strategic consulting in operational efficiency, procurement optimization, and supply chain management. Tailored advisory services that address industry-specific challenges and deliver measurable cost reductions.

Business Support Services — Comprehensive administrative and operational support including back-office management, process improvement, document management, and staffing coordination. Designed to help agencies and businesses focus on their core mission.

Software & AI Consulting Services — Emerging service line providing custom software development, systems integration, and applied AI consulting for government and commercial clients, delivered with the same WOSB set-aside advantages as our core supply and services offerings.

DIFFERENTIATORS

- SBA-certified WOSB and Georgia DOAS-certified WBE with active federal and state procurement registrations
- Established vendor relationships enabling competitive pricing and rapid fulfillment
- Dedicated account management with single point of contact for each client
- Flexible delivery — next-day capability in metro Atlanta, 2-3 days statewide
- Scalable capacity from small orders to large-volume blanket purchase agreements
- Commitment to sustainability with eco-certified product options available
